

To ROTARY E-CLUB OF CREATER SYDNEY.

I hope you are fine!

I am glad to write to you this letter. I have written this letter to you to inform you about some few things about my school Mbazzi Riverside High School. This school is interesting because of the good teachers who have good experiences about teaching. They teach us very well so that we aim at getting good and better results.

I am a hard working student at Mbazzi Riverside High School aiming at getting better results in all subjects and am also proud of my performance. I would like to inform you that at Mbazzi Riverside High School, we practice very many games and of all the games we practice, I am much interested in football and volleyball.

I would also like to appreciate you for the positive attitude you are showing to Mbazzi Riverside High School.

Thank you for supporting me.

Yours faithfully,

KIWANUKA JOHN.
